PASTOR'S NOTE

Happy Sabbath Family. We want to give a warm welcome to our NLASAA alumni. NLASAA stands for Northern Luzon Adventist Schools Alumni Association, and we are blessed to have many of our members as proud alumni. This year, their special project is the water project that connects the water from the mountain reservoir to the school. May God bless your efforts.

Talking about water, have you ever drunk something so bad that it made you want to gag? Today, the title of our sermon is, "When God Gags." We are blessed to have Dr. Karl Haffner as our guest speaker. We want to give him and his wife a special LLFC welcome. He will be introduced during our service.

On a different note, our nominating committee is close to completing its task. I want to personally say, "Thank you," to so many of you who have prayerfully considered the ministry that has been presented. Unlike lukewarm water, God sees our service as an expression of our faith to Him. I pray that each of us will find an area of passion where can serve God joyfully.

Ministering with you – Pastor Manny
