PASTOR'S NOTE

Hello, hello, can you hear me?

It looks like I have a "broken connection."

Don't you hate that when it happens? Broken connections happen when there is a poor signal, harsh weather, or when you are traveling and you are between cell towers. Last Sunday, our Leadership Board went away for a one-day retreat at Loma Linda Junior High. We wanted to be sure that we started the year connected. We walked away understanding that if we are truly going to lead as a united team, we need to have OV3 - "One Vision, One Venture, One Voice."

This Sabbath is the culmination of our 10 Days of Prayer. Our church is empowered as members attended daily to listen, pray, and lift the needs of the church, community, global mission, as well as our own personal challenges. If prayer is our connection to God, may I challenge us to ask, "How is my connection with Jesus?" As we begin 2024, is my connection with Jesus full bars, three bars, one bar, or often lacking signal? The good news is, broken connections are not permanent, and can easily be restored.

Praying for you and with you,
Pastor Manny
