PASTOR'S NOTE

Dear Family, Happy first Sabbath of the year. While we think of Christmas as a time of giving and thinking of others, New Year is more personal as we reflect on our life and what the future has in store. Our preaching calendar is based on the Sabbath School Lessons of Growing Together put together by the South Eastern California Conference. This is the Sabbath School that our children through young adults, including parents with children use. This is year one of six and it begins in the book Genesis where it all began.

As we review the account of creation, imagine that God went through this significant effort "All for Me." Feel special as you reflect that the God of the Universe went through all this effort because of you and me. Unfortunately, God's masterplan was discombobulated by our great Lola and Lolo (grandparents). "Restore in 2024" is our church theme this year. We will look at areas in our life that God wants to restore and recreate for us. We pray that "He who began a good work in you, will be faithful to complete it."

Together we are transformed.
Pastor Manny
