Pastor's Note

It's a joy to welcome the NLASAAA members and friends this Sabbath morning.

Thank you for choosing LLFC as the venue of your convocation once more. For several years now our church has been a host to your annual homecoming.

We are in full support of your association because it exists for a worthy purpose. The Northern Luzon Adventist Hospital which the association founded is now fully serving the area. The elementary school building of the college is finished and now the high school building is halfway done all because of your generosity.

We say thank you to all who in one way or another have shown support to the association.

May we find joy as we worship together this blessed Sabbath.
