Pastor's Note

Welcome church!

May you embrace Sabbath Rest today. Is competitiveness derived by nature or nurture? Where does our need to be right come from? In some way or form, we as individuals or even a collective of people always want to stand out. What if at the end of the day the goal is to be loving than it is to be right? What if after all is said and done, we are meant to rest and let go than produce an outcome that lets us continue to be on top?
