Pastor's Note

Welcome to worship LLFC Church! Thank you for choosing to worship with us.

Have you ever wondered some traits we grow out of as we get older?

One of them is curiosity. When was the last time you were curious and ok with not having a response? Another is interdependence. Children have a natural sense of looking to others for help and being provided for. That becomes harder as life shows up its complicated colors. What does it mean to be child-like? It may look different for each of us. One thing is for sure, let's draw near to the One being ok not knowing and lingering in mystery, awe and wonder as well as trusting we are in the palm of His hand.
