

## FAMILY LIFE

### THANK YO U M E S S A G E

Grateful doesn't even begin to cover it. Thank you so much for your support in witnessing my ordination. Whether it's that you took the time to drive 30- 40 minutes to the location or watched online, your presence and support meant the world. Thank you for your words, applauses, and gifts! LLFC family, know your support was appreciated on that stage. Here's to a new era of ministry with you all.

## Pastor's Note

Welcome! Whether you are here every week or joining us for the very first time, we are grateful that you chose to worship with us today.

As we continue our journey with "Tinig in '26 – Your Voice. Your Story. His Glory," I want to invite you to think quietly about the story God is writing in your life right now. Jesus once spoke to ordinary people and called them "the salt of the earth" and "the light of the world." Somewhere in your week, there have been moments where His grace has quietly preserved what could have fallen apart, and other moments where, perhaps without noticing, your presence pushed back a little bit of darkness. Today's message will not ask you to become louder or more impressive, but to see how Jesus is already using your everyday story—at home, at school, at work—as something He can place where others can see. My prayer is that, as we open His Word together, you will sense Him gently lifting your story onto a lampstand, not for your praise, but so that His light can be seen more clearly.

-Pastor G
