Pastor's Note

Happy Sabbath and welcome to LLFC!

What does it look like to trust wholeheartedly? In a world where we have a down-spiral of skepticism and unbelief in one another, what do we do? We see in Genesis 24, the immensity of trust Abraham has in his servant to take his place in the cultural norm of arranging the marital contract. Abraham, perhaps frustrated in his lack of ability had nothing but to trust someone intimately and placed all his hope and expectations in one that would take his place trusting that God would take care of the rest. We often think of trust romantically, but who do we trust in this capacity? When we are at our weakest, who do we turn to?
