Pastor's Note

Today is a special moment for our church family.

A lot of churches say young people are the priority. We don't just say it, we get to see it. Pathfinder Sabbath is what it looks like when a church really leans in, invests, and believes in its young people.

It's not an overnight thing. It's years of prayer, consistency, and adults who chose to pour into the next generation, building systems and spaces where young leaders can actually grow. And now, we're seeing the fruit. Our young people stepping up, leading out, and owning their space in worship.

To every adult who invested along the way, thank you. This moment carries your fingerprints.

And to our young people, we are deeply proud of you. The way you're leading today, it's not just inspiring, it's powerful. You're not just the future of the church, you are the church right now.

Welcome to Pathfinder Sabbath. As we look forward to the soon return of King Jesus, marching onward as faithful Pathfinders, following Him with willing hearts. We're glad you're here!
