Pastor's Note

Welcome to LLFC Family Worship. We are so glad you chose to worship with us today.

This Sabbath, we continue our quarterly journey, From Trials to Triumph, with the message "WD40 That Hurt," based on Joseph forgiving his brothers in Genesis 42-45. Joseph's story reminds us that forgiveness does not erase the wound, instead, it releases the future. Some hurts get stuck deep in the soul, family pain, church hurt, betrayal, regret, or even the apology that never came.

But here is the good news. God's love knows how to loosen what bitterness locked, heal what pain hardened, and call us forward into freedom. Today's message invites us to see forgiveness not as weakness, but as grace working in the places we thought would never move again.

May Papa God speak into the places of your life that need healing. Today, love gets the last word.

It's Sigue.
