Speaker's Note

Strong Enough to Be Honest

We often picture strength as the man who carries everything quietly, who never complains, who always says "I'm fine." But what if real strength looks different than we've been taught? In this message, we'll meet someone in Scripture who discovered that the bravest thing a person can do is to stop holding it all in — and telling God the truth about what they're carrying.

Come and be encouraged: the God who sees every burden we hide is inviting us to lay it down. You may find He's been speaking to you all along.

Be strong in the Lord.

Serafin Lalas
